## Needs Please!

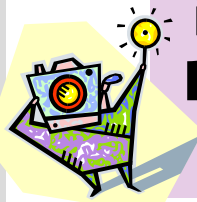

- Tissues
- Pencil sharpeners
- Paper Towels

## FCAT Writes

2/28

We have 3 more weeks to improve our writing!

**Look for class picture information that went home! Picture day will be February 16th.**

**Remember to go on FCATexplorer.com to practice for the upcoming FCAT tests.**

## Concession Stand

Every Tuesday the Prosperity campus will be having a concession stand with select snacks and lunch food.

## This coming week's content...

### Math

Many students still need to memorize their multiplication and division facts. Please keep practicing them! They should already have memorized 1-12.

### Science

We will be learning all about space research; who conducts it, what they learn, and how they learn it.

### Writing

The FCAT Writes is only a few weeks away! An important part of the student's writing is conventions. The students must use correct capitalization and punctuation. Their sentences should also be of varied lengths. Spelling is also important, they will be assessed based on their spelling of 4th grade appropriate words.

### Social Studies

There are many opportunities for learning about Florida and our rich history right here in Palm Beach County. We could not possibly go to all the interesting places as a school. We encourage you as a family to visit them.

**Family Field Trip Idea-  
Palm Beach  
Maritime Museum**

**Continent Focus  
Asia**

### Language Arts

Many people have asked how to help their child improve their FCAT scores. One of the best ways for a student to improve their scores is to read, and understand what they are reading. Asking your child questions as they read, or have them come up with questions to ask is a great strategy.

Character Trait of the Month  
**CARING and KINDNESS**

"Kind words can be short and easy to speak, but their echoes are endless." -Mother Teresa
