

## **Movie Night at the Riverside:**

**What:** Bright Futures Movie Night

**When:** Friday, January 20, 2012

**Where:** Riverside Campus

### **Time:**

Volunteers: 6:30pm-9:30pm

Event Time: 6:30pm-9:00pm

**Goal:** A few times a year Bright Futures hosts a Movie Night on the Riverside Campus. This event gives students the opportunity to socialize with their friends in a safe and positive environment while enjoying a movie, snacks and games. Students are allowed to invite friends from outside of the school when permission slips are obtained.

### **Volunteer Opportunities:**

**Set up/Decorations:** Help staff set up the Riverside Campus.

**Food and Drinks:** Help pick up food ordered and deliver to Riverside. Set up kitchen area and serve food/drinks to students. Re-stock items as needed.

**Classroom, PE Area, EDU-Garden, and Dismissal Monitors:** We need as many sets of eyes as possible. Please help us by just standing or walking around during your assigned area. We want them to have a great time, but need to be sure that they are safe.

**Donate/Borrow Games/Activities:** If you would like to donate or allow us to borrow a game or activity item that is "school appropriate" for the students we would greatly appreciate it.

**Clean UP-** Help break down the event; store the movie equipment and sound systems; pack the food up; clean the food area; and compile the trash.

### **Have Questions or Want to Volunteer:**
