

Bright Futures Academy Magnet Program

Sport Management & Pre- Medical Program

Jupiter and Palm Beach Gardens Medical Sciences

The Medical Sciences Academy offers an innovative, integrated learning environment designed to provide the student with the medical skills and training necessary to succeed in post-secondary healthcare career education and/or to successfully transition into the healthcare workforce. This comprehensive program combines a rigorous academic curriculum with intense clinical and laboratory experience. Student internships at area hospitals and other health care facilities are conducted while under the supervision of academy health sciences staff. **All students applying to these programs must meet the following eligibility criteria: 3.0 GPA, Algebra I or Algebra I Honors required.**

Palm Beach Gardens Sports Management and Recreation

The Sports Management and Recreation Program provide students the opportunity to pursue a course of study leading to college degrees in sports management, marketing, recreation, health and fitness. Students take courses that stress communication, problem solving, teamwork, business and technology, as well as participation in paid summer internships. For hands on experiences students plan and run at least one sporting event. Through paid internships and special projects students apply business knowledge learned in their classes and in the community. **All students applying to these programs must meet the following eligibility criteria: 2.5 GPA.**

Bright Futures Academy Health & Sports Magnet Program

Academic Program

Team 1 Only

5th/6th & 7th/8th Grade Students will receive direct academic instruction in Health Sciences to prepare them for entrance into the Sports Program. Students in this program are required to take advanced math through their regular math class.

Team 1 & Team 2

5th/6th & 7th/8th Grade Students will receive Physical Education instruction and must participate in the Presidential Physical Fitness Program.

Community Service

Students in team 1 & 2 are considered ambassadors of the BFA sports programs. They are required to assist during their lunch period to ensure a clean sports area for the school.

Coaching Assistants

The athletics director will also select students to assist with the Sports Teams if the student is not participating on a team. Assisting may include collecting team jerseys, collecting water for team players, keeping statistics on games, helping the coaches during team practicing as needed, helping the coaches during games as needed.
